Percent satisfied with school-home relations	58.3%	89.1%	93.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ellore Elementary School (EES) is committed to providing a quality education for students. The faculty and staff worked long hours preparing for the educational needs of our students. Our motto is "Excellence Without Excuse". This school year, we infused the concept of "teamwork" into that motto, to further effect academic success for our students.

During the 2012-2013 term, EES implemented the Teacher and Student Advancement Program (TAP). This program focuses on enhancing teachers' strengths and refining their weaknesses. It used collaborative methods to share and teach strategies for instruction and concentrated on data to drive success. Teachers attended weekly cluster meetings, where they engaged in professional development activities designed to improve student achievement by strengthening the instructional strategies of teachers.

EES is committed to improving student achievement. We provided various opportunities for students to excel academically. Many of our students took advantage of our early morning enrichment activities, in-school intervention sessions, and after-school programs.

EES continuously strived to strengthen the connection between home, school, and the community. Teachers worked to prepare interactive and engaging activities to share with parents and students during events such as Math Night, Reading Night, and Science Night. We hosted many workshops, during various times, throughout the year, where parents were offered training and materials for helping their students achieve academic success.

As a Primary Years Programme (PYP) Candidate School for the prestigious International Baccalaureate (IB), EES continues to broaden its offerings and programs to encompass different activities and opportunities for students. In addition to standard options, EES students participated in various field trips, visual arts, chorus, keyboarding, and instrumental recorder classes. The school also has a language lab where students are exposed to French and Spanish, which supports the IB PYP curriculum. It is the goal of EES to make learning meaningful and effective for our students.

Sharon Wilson, Principal
Barbara Butler, SIC President
